RESPONSE TO OFFICE ACTION MAILED AUGUST 4, 2004

The Applicants submit the following amendments and remarks in response to Office Action mailed August 04, 2003.

IN THE CLAIMS:

Claims 1-27 (cancelled).

28. (Previously Presented) In a network system with a plurality of stations, the plurality of stations having a medium access control layer above a physical layer, a method of providing multiple priority classes with a medium-access-control-layer protocol connecting the stations to a transmission medium, the method comprising the following steps:

selecting on a first station a signal frequency for a desired priority class from N-number of
